Improving Documentation Practices Today for Coding Success Tomorrow

The target audience includes rehabilitation physicians, HIM coders, PPS coordinators, and rehabilitation managers.

Learning objectives:

• Describe the philosophy of choosing, documenting, and supporting an admission impairment group code (IGC)
• Identify methods of documentation to support an IRF admission throughout the rehabilitation stay
• Describe use of ICD-10 concepts to improve documentation
• Identify documentation trends and the impact on ICD assignment

CME Accreditation Statement

This program has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for CME (ACCME) through joint sponsorship with the University at Buffalo School of Medicine and Biomedical Sciences and Uniform Data System.

The University at Buffalo is accredited by the ACCME to sponsor CME for physicians. The UB School of Medicine & Biomedical Sciences designates this live activity for a maximum of 6.5 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
