

# 2005 Buffalo Conference

## July 28 & 29, 2005

### Buffalo Niagara Marriott, Amherst, NY

### Call for Speakers

The Annual Buffalo Conference, presented by Uniform Data System for Medical Rehabilitation, is accepting abstracts for the 2005 event. These oral presentations should focus on innovative strategies that demonstrate continuous quality improvement in rehabilitation and use of outcomes data to support evidence-based care.

Preference will be given to highly skilled presenters from subscribing facilities who can lead sessions that address innovation, best practice, future orientation, and measurable outcome demonstration.

#### **PURPOSE OF CONFERENCE**

- To promote the sharing of best practices and innovative ideas among medical rehabilitation professionals
- To provide a forum for the discussion of differing viewpoints
- To encourage networking among rehabilitation facilities
- To encourage continuous learning and quality improvement in a changing environment

#### **SPEAKER'S INVOLVEMENT**

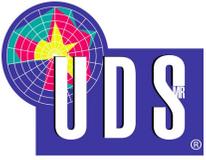

We acknowledge and appreciate the contributions of qualified individuals who are willing to share their knowledge in their areas of expertise. We expect that speakers will meet all applicable deadlines for submission of materials and information relevant to their participation.

#### **GUIDLINES FOR SUBMISSION**

- Presentations should be limited to 45 minutes in length.
- UDSMR reserves the right to edit formatting of Microsoft® PowerPoint presentations to ensure legibility when projected and printed.
- Presentations are scheduled for Thursday, July 28, 2005, and Friday, July 29, 2005.
- UDSMR will provide round-trip coach airfare (purchased a minimum of 14 days in advance) or appropriate automobile mileage, 2-night hotel stay, and conference registration (including most meals).
- Speaker honorarium provided (where allowable).
- Deadline for submission of abstracts is **January 10, 2005**.
